CLAAS Lexion 7700 TT [191000202000554]

Year of manufacture: 2026

Date: 05.11.2026

Design:	Combine harvester
Category:	Combine harvester
Power:	404 kW (549 HP)
Mileage:	km
Operating hours:	180

€ 490,000.00

plus VAT 19% (€ 583,100.00 Gross)

Equipment

Drive	Hydrostatic
Autocontour	✔
On-board computer	✔
Wide rapeseed cutter	10,80

Description

Claas Vario 1080 cutting unit, rapeseed kit, 2 hydraulic side knives, Claas 2-axle transport trailer with brakes, Advance package, radial distributor, Special Cut straw chopper, V-channel chain Auto Contour, automatic hitch, dust extraction,

Width cutting unit	10,80
Throughput control	✔
Reel horizontal adjustment	✔
hectare counter	✔
Cabin	✔
Air conditioning	✔
Corn equipment	✘
Rap separator left	Hydraulic
Rapeseed separator right	Hydraulic
Rear tyre	620/70 R30
Tyres in front	635 mm, Camso
Reversing device	✔
Rotor	✔
Cutting unit	✔
Cutterbar trolley	✔
Chaff spreader	✔
Straw chopper	✔
Technical condition	Very good
Drum Lessons	80
Loss measurement	✔
State	Demonstration vehicle
Hectare	283

header brake, threshing drum drive 330–930 rpm, 3D cleaning, Grainmeter including overrun volume measurement, grain tank capacity 13,500 litres, XXL grain tank outlet pipe 420 mm, swivelling outlet spout, 40 km/h, MAN D2676 engine, automatic climate control, rear camera and trailer coupling camera, Profi Cam monitor, CEMIS 1200 terminal, Quantimeter, premium air-suspension seat, LED work lights, SAT 900 RTK activation, GNSS receiver, CEMOS Dialog, CEMOS Automatic: Auto Threshing, Auto Separation, Auto Cleaning, Auto Crop Flow, Cruise Pilot, Grain Quality Camera, automatic adjustment of discharge direction, dynamic steering, 635 mm TT tyres, 620/70R30
